SWAT STREET TEAM

The experience of being a part of SWAT should better your cycling experience in some way, we should be stronger and better people together. We should challenge and mentor each other. There are no Lone Wolves in this pack!

Teams for each discipline are separate. For example some racers may race Track for SWAT but Road for another team. Each team has different guidelines and requirements. Being on one team does not guarantee you a spot on another.

Street Team Expectations

- Street Team Racers are expected to compete in a minimum of one race per month to maintain team status.
- All SWAT Street racers are required to attend a minimum of one official SWAT ride or SWAT event per month (or 12 a year).
- Exceptions will be made for injuries, unexpected life changes etc but must be approved by the team captain. We need to see your commitment!
- Street team racers have the option to race in any SWAT kit, SWAT shirt, or SWAT cap.
- SWAT racers are role models in the community and for young women on bikes everywhere. Racers are expected to always show good sportsmanship.
